The way that I find balance in my busy life is by making schedules. On my schedule I always put my most important task first. As long as my main priorities are taken care of, the rest is pretty easy. I also have certain days that I use specific things. For school my days are Thurs. and Monday forsure. Them are the days I make no plans, because I know my work is due. I also use my evenings once my kids are in bed on Wed and Sundays for my school as well. The rest of the days are different, depending on what I have going on that week/month, because at this moment I do not work.

management strategies that I have used are scheduling, setting at time side for my main priorities, and my best to avoid procrastination. They have proven successful in the past because with a schedule
